

Tolani Ecosystem — Master Brand Book

Tolani Ecosystem Overview

Tolani is a multi-division ecosystem designed to build enduring value through governance, innovation, and social impact.

Brand Architecture

- Tolani Corp — Parent holding company and governance layer
- Tolani Labs — Applied research and systems innovation
- Tolani Foundation — Philanthropy and social impact
- Future subsidiaries operate under defined brand tiers

Tolani Corp Brand Standards

- Tone: Institutional, restrained, long-term
- Primary colors: Gold, Teal, Obsidian
- Use cases: legal, capital, government, investors

Tolani Labs Brand Standards

- Tone: Experimental, technical, fast-moving
- Primary colors: Signal Red, Graphite, White
- Use cases: AI, R&D, platforms, tools

Tolani Foundation Brand Standards

- Tone: Human, ethical, trust-forward
- Primary colors: Soft Blue, Teal, Earth neutrals
- Use cases: grants, community, impact reporting

Brand Governance Principles

- Parent brand always supersedes subsidiaries
- No cross-division logo substitution
- New brands require tier classification and approval
