

Tolani Ecosystem — Brand Governance Policy

Purpose of Governance

This policy ensures consistency, clarity, and long-term scalability across all Tolani subsidiaries.

Brand Tiers

- Tier 1: Tolani Corp (Parent / Holding Company)
- Tier 2: Functional Divisions (Labs, Foundation, Construction)
- Tier 3: Products, Programs, Tokens, and Ventures

Approval Authority

- Tolani Corp approves all Tier 1 and Tier 2 branding
- Tolani Labs may approve experimental branding within its mandate
- Foundation branding requires ethics and impact review

Creation of New Subsidiaries

- Each new subsidiary must declare its mandate, audience, and risk profile
- Brand expression must align with its tier while respecting the parent identity
- No subsidiary may supersede the Tolani Corp master brand

Enforcement

Unauthorized brand usage may be deprecated or withdrawn to protect the integrity of the ecosystem.
